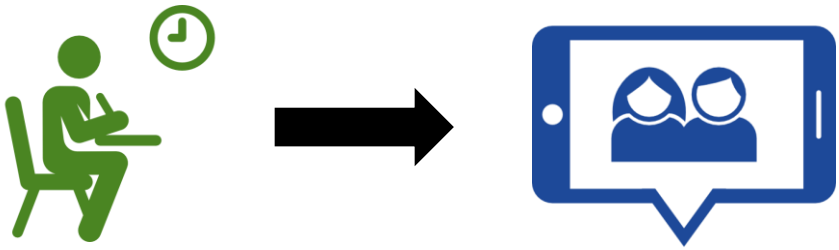
Fall 2020 Student Status

General Information

- A student taking a *Web/Online* course will automatically be a **remote student** for that course.
- All students (other than those taking only *Web/Online* courses) are asked to select their status by August 1.
- Students who do not select their status will be assumed to be **in-person students**.
- Students added to courses between August 1 and August 28 will be added as in-person students.
- Any students added to a course after August 28 will be added as a remote student.

Changing Status from In-Person to Remote

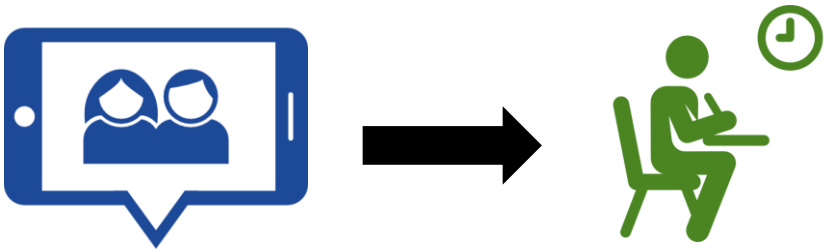
To change your status, please look for a link under Registration Forms on https://jcu.edu/registrar/services-and-forms.



In-person students who wish to change to being a **remote student** for the remainder of the semester may change status at any point during the semester. Your instructors will be notified of the change within 24 hours.

Changing Status from Remote to In-Person

To change your status, please look for a link under Registration Forms on https://jcu.edu/registrar/services-and-forms.



Remote students who wish to change to being an **in-person student** MUST request a status change before **September 4** (no students will be added as in-person after that date). The instructor will make the final decision about a request to change to in-person. Please wait until you have confirmation from your instructor before attending class in person.
