

DEPARTMENT OF EDUCATION & SCHOOL PSYCHOLOGY
Curriculum Content: Life Science/Chemistry-
(Biology Major/Chemistry Minor)
84-88 hours

OAE Test – Biology (007) and Chemistry (009)

Course #	Course Title	Hours	Grade	Sem. Offered
BL 155/156	Principles of Biology I & II	6		
BL 157/158	Principles of Biology Lab I & II	2		
BL 213	Genetics	4		
BL 222	General Ecology	3		
BL 310/310L	Microbiology & Lab	4		Every semester
CH 141/143 +	General Chemistry I & Lab	5		Fall
CH 142/144 +	General Chemistry II & Lab	5		Spring
CH 221/223	Organic Chemistry I & Lab	4		Fall
CH 222/224	Organic Chemistry Lab II & Lab	4		Spring
CH 261/263	Analytical Chemistry and Lab	4		Spring
CH 363	Physical Chemistry I	3		Fall
CH 367	Physical Chemistry Lab	2		Fall & Spring
CH 441/443	Instrumental Analysis and Lab	4		Fall
CH 478	Chemistry Seminar	0		Fall & Spring
CH 431	General Biochemistry	4		Fall & Spring
PH 125/125L	General Physics I & Lab	4		Fall
PH 126/126L	General Physics II & Lab	4		Spring
PH 115/L	Environmental Earth Science & Lab	4		Fall
MT 135	Calculus and Analytic Geometry I	4		Fall
MT 136	Calculus and Analytic Geometry II	4		Spring

Cell to Organism Courses

Select Two:

BL 350	Vertebrate Anatomy	5		
BL 360	Human Physiology	4		
BL 420	Plant Physiology	4		
BL 475	Endocrinology	3		

Cell to Organism Labs

Select at Least One:

BL 350L	Vertebrate Anatomy Lab	0		
BL 360L	Human Physiology Lab	0		
BL 478	Biology Seminar	1		

Ecology

Select One:

BL 444/444L	Advanced Ecology & Lab	4		
BL 435/435L	Plant Ecology & Lab	4		
BL 405	Tropical Field Biology	3		

Note: +CH 151/153 (5 cr) may substitute for CH 141 – 144 with Chair's approval.
With one more Upper Division CH elective, student would earn a CH major.

Revised FA 2019
