### Addendum to the Access Agreement

John Carroll University requires all theses, essays, and creative projects required in partial fulfillment of the Master's Degree to be electronically archived in *Carroll Collected*, JCU's Institutional Repository. Students may choose from three options when submitting their work to *Carroll Collected*:

**Permanent Online Open Access:** Students may choose to place their work in the repository which is a permanent, online, and open access location. Archiving the work in this manner provides students a stable URL to place on resumes, CVs and elsewhere. Materials in *Carroll Collected* are also available to search engines like Google, enabling an audience from around the world to view the work, and current and future graduate students to peruse previously approved projects. The *Creative Commons* license for *Carroll Collected* allows others to use the work, but they must attribute the work in the manner specified by the author or license.

**Embargoed Archive:** A student may elect to have his or her thesis/essay/creative project embargoed (i.e. not publicly available online) for twelve months with the option to extend the embargo. Only the Office of Graduate Studies and the library staff may access embargoed works.

**Permanent Embargo:** This option maintains an archived copy of the project without it moving at any time into an open-access location. Only the Office of Graduate Studies and the library staff may access materials with a permanent embargo. The author may, at any time, remove the permanent embargo by contacting the library.

By signing this addendum, you are giving permission to have the work submitted to *Carroll Collected* with the option the student has chosen.
