- Student FTE is the number of undergraduate credit hours divided by 15, plus the total number of graduate and post-baccalaureate credit hours divided by 9.
- Student FTE figures are as of the end of the third week of the fall term.
- Students are sorted into race / ethnicity categories based on guidelines for Federal reporting. These categories are based on three things: a student's immigration status, ethnicity, and race(s). All students who are in the US as a nonresident alien are reported as International. All remaining students who indicated they are of Hispanic or Latinx ethnicity are then reported.
