Hello,

On behalf of Parkhurst Dining, our new campus dining provider, we are pleased to share this update with you:

We are excited to welcome you back to campus soon for the Spring 2021 semester! Our dining team has been working diligently these last few months to ensure a smooth opening in January. Despite any necessary modifications to service, you can rest assured that you will be provided with the outstanding dining experiences that we pride ourselves on providing for every guest.

In order to increase and ensure safety, we will be enforcing the use of Campus Clear, a COVID-19 screening application, in order for you to gain entry into our dining facilities. In addition, Schott Dining Hall will be operating as a take-out only service for the first few weeks, but don't worry, you will not lose the all-you-care-to-eat style that is traditionally done. Einstein's and the Inn Between will also be open providing take-out only service

Will service be this way forever? Of course not. Our dining team will assess service as time goes on, will follow all guidelines and policies, and will proceed with the safest option available. The way dining will be set up for the spring is not an evergreen approach, it is a forever changing and shifting process that we will openly communicate with you. We are in this together and we cannot wait to begin this journey at John Carroll University.
