

LICENSING REQUIREMENTS METⁱ

Licensure Exam Pass Rates

Initial Licensure (Teacher Education)

In order to obtain an initial educator license in the State of Ohio, candidates are required to take the OAE exams associated with their licensure band and teaching field. These assessments can include an Assessment of Professional Knowledge, Content Assessment(s), and a Reading Foundations assessment. Candidates taking these assessments must score at or above the state's established required score to be recommended for licensure. **Over a 3-year average, the initial licensure OAE exam pass rate for JCU candidates was 94%.**

Advanced Licensure (School Psychology)

In order to obtain an advanced license for School Psychology in the State of Ohio, candidates are required to take the School Psychology (5402) Praxis Exam and achieve a score at or above the state's established required score to be recommended for licensure. **Over a 3-year average, the School Psychology Praxis exam pass rate for JCU candidates was 100%.**

Advanced Licensure^o (Educational Leadership)

In order to obtain a principal license in the State of Ohio, program completers are required to take the Educational Leadership (015) Ohio Assessment for Educators (OAE) exam. Program completers taking this assessment must score at or above the state's established required score to be recommended for the license (in addition to having at least 2 years of teaching experience in the principal license grade band requested).

*Table 1 shows the candidate pass rates by year according to best attempt within the indicated year (September 1-August 31). Exam(s) included in each licensure pass rate listed below; candidate #s are calculated separately for each exam required for license and combined.

¹ Required exams for license: Assessment of Professional Knowledge exam, Early Childhood Education Content exam, and Reading Foundations exam.

² Required exams for license: Assessment of Professional Knowledge exam, Reading Foundations exam, and 2 of the following content exams: Middle Grades English/Language Arts; Middle Grades Integrated Social Studies; Middle Grades Mathematics; Middle Grades Integrated Science.

³ Required exams for license: Assessment of Professional Knowledge exam, and 1-2 of the following content exams: English/Language Arts; Integrated Social Studies; Mathematics; Biology, Chemistry, and/or Physics.

^o The Educational Leadership program at John Carroll University admitted its first cohort of candidates in Fall 2018, with a projected initial graduation date of May 2020. As the program does not require candidates to complete licensure exams prior to graduation, and testing centers were closed for a portion of the 2019-20 academic year due to the COVID-19 pandemic, there is no licensure exam pass rate data available for this program at this time.

Licensed Completers

Table 2 shows number and percent of completers holding an initial teaching license as self-reported on annual alumni surveys (PGY1 [post-graduation, year 1—about 9 months after graduation], PGY3 [post-graduation, year 3, about 32 months after graduation] comparison where available). It also shows number of completers holding an Ohio teaching license as reported by the Ohio Metrics Reporting system as of the current reporting year.
