Authorized Adult, they must meet them in places that are interruptible and observable by other employees or parents, such as an office with windows, classrooms with open doors, or other visible places.

**Bathrooms and locker rooms.** For minors who are age six or older, assign Authorized Adults to monitor bathrooms and locker rooms of their same gender. At least two Authorized Adults are to be present if necessary to assist a child with activities such as diapering, putting on bathing suits, and taking showers.

**After hours and off-site activities.** Authorized Adults and volunteers are prohibited from scheduling meetings or practices with minors after regular scheduled time for athletics activities and/or curricular activities. Authorized Adults and volunteers are prohibited from meeting with minors outside of University sponsored or approved programs. Exceptions require parental authorization and advanced written approval from the University.

**Use of Authorized Adult's or volunteer's home.** Authorized Adults and volunteers are prohibited from inviting minors to their homes or being alone with them in their homes except for any University sponsored functions approved in advance by the University.

**Personal vehicles.** Personal vehicles are not to be used to transport minors except in the case of a medical emergency.

**Friendships.** Authorized Adults and volunteers are discouraged from developing personal friendships or sharing any private or intimate information with the minors under their care. Authorized Adults and volunteers should act in a manner consistent with their role or position.

**Gifts.** Authorized Adults and volunteers are prohibited from making or receiving "excessive" gifts to or from minors and their families. An excessive gift is one which exceeds \$10.00 in value.

**Field trips.** At least two Authorized Adults (preferably a male and female) must accompany minors during trips away from campus.

**Sexual activities.** Authorized Adults and volunteers are prohibited from engaging in any sexual activity with minors who are under 18 years of age. This applies even if the minor appears to consent or welcome the sexual activities or relationship. Those found in violation of this prohibition will be reported to law enforcement and are subject to disciplinary actions up to and including immediate termination of employment.

### **Managing Minor's Behavior**

**Age appropriateness.**

Authorized Adults should respond to a minor's behavioral issues in an age-appropriate manner. Responses may include redirection, positive reinforcement, and encouragement.

**Physical restraint.** Physical restraint should only be used by Authorized Adults in situations when it is necessary to protect a minor from harm. All incidents of physical restraint must be documented and disclosed to parents.

**Touching.** Authorized Adults and volunteers may only be allowed to touch a minor when it is open and not secretive and in response to a minor's needs, not that of the adult; with the minor's permission (that is, resistance from the minor should be respected); and for a purpose that is consistent with a clear educational or developmental purpose. Authorized Adults and volunteers must respect a minor's rights not to be touched or looked at in ways that make them feel uncomfortable.

**Restrictions.** Authorized Adults and volunteers are prohibited from touching minors in areas that would not be covered by a typical bathing suit. In other words, a minor's breasts, buttocks, and groin area should not be touched, except for purposes such as diapering or health emergencies.

### **Personal Behavior**

**Positive role model.** Authorized Adults and volunteers should be positive role models for minors by maintaining an attitude of loyalty, patience, courtesy, and maturity. They should act in a caring, honest, respectful, and responsible manner that is consistent with the mission of the institution.

**Clothing.** Authorized Adults and volunteers should wear clothing that is neat in appearance and appropriate to their position as teacher, coach or other leader.

No minor is to be released to any person who is visibly intoxicated, appears to be under the influence of alcohol or controlled substances, or otherwise constitutes a danger to the minor.
