ALL SALES FINAL - No substitutions, alterations, warranties or exchanges. Items Sold "AS IS" in used condition. Item tag # used for reference only when submitting offers or bids. Serious bidders only please! Free gas can with purchase while supplies last.

Bidding Instructions: The minimum offer that will be accepted for the vehicle/equipment is listed next to them. Items will be tagged by number and description for reference only. Selections on multiple hand tools will be first come first serve, while supplies last.

As with previous auctions, the university will be accepting minimum bids and maximum bids. This auction will work similar to an ebay auction. The minimum bid will be accepted at your lowest offer. Multiple bidders on the same item will raise in \$5 increments until the highest bidder exceeds the second highest bidder. If there are multiple high offers then those individuals will be contacted to make another offer or withdraw. Tom Kriz will be available to answer questions and or show the items on Tuesday January 10th from 9 AM -12 PM. Please contact him at x4581 or email to schedule an appointment in advance or stop in the Dolan Science Garage Tuesday morning January 10th. Bids will be accepted starting Wednesday January 11th. All offers must be received by Wednesday January 18th at noon. Please submit your bids via email to Lisa Brown (lbrown@jcu.edu) or in writing to Lisa Brown. Winning bidders will be notified by noon on Thursday January 19th. Winning bid equipment must be paid for and moved by Friday January 27th at 4:30 PM. Payment instructions will be given to winning bidders.
